**Paul Mutter
Windham Foundation
PO Box 600
Windham, NY 12496**

Dear Paul,

Time and again, you demonstrated your unwavering commitment to the Community of Windham Foundation and our shared mission of working together to improve and beautify our community. From all of us we want to extend a heartfelt thank you for your recent generous donation and for your continued dedication to our community over the years. The long-term impact you've made towards the Snowflake Project cannot be overstated.

The holiday snowflake lights bring a unique glimmering warmth to our community's celebration of the Christmas season. The lighted streetscape symbolizes a welcoming spirit of hope, joy, peace, and love. We are honored to partner with you on a project that helps generate good will, community pride and support for local businesses. Your continued trust and partnership with the Community of Windham Foundation helps sustain our joint endeavors, and for that, we are eternally grateful. Perhaps we might identify a special gesture that will acknowledge your generous gift. We are eager to publicize the profound impact of your contribution.

Once again thank you for your enduring belief in our dedicated mission of bettering the quality of life within our community. Working side by side we remain confident and motivated in our journey towards projects that reiterate our shared mission.

With deepest gratitude and respect,

A handwritten signature in dark ink, appearing to read "John C. Quinn". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

John C. Quinn
